

RELIGION (OR) DUTY ORIENTED GOVERNANCE

Accountability of citizen & Governments
(Transformation of "House" to "Home")

Our Globe is housing about 6000 million people who are in grief. The objective could be how people can be transformed through duty oriented constitutional amendment from house to home where people may live in peace, happiness and harmony. The house is the one where people live in the atmosphere of negative emotions, i.e. mistrust, hates and apprehension, therefore divided. But home is the one where people live in the atmosphere of positive emotions, i.e. trust, love and confidence, therefore united.

The relationship between King and his subject was of following two type

- (a) King or Rular as parents
- (b) King as Exploiter and subjects as exploited

In first case the management was based on love, trust and confidence whereas in the other case, it was based on hates, mistrust, apprehension. Therefore, the saying was "AS IS THE KING SO ARE THE SUBJECTS".

During colonial rule and its management system became Exploiter and Exploited oriented, hence discharged and substituted about 500 years ago by democratically elected Government. Therefore, the saying became "AS ARE THE SUBJECTS SO ARE THE DEMOCRATIC GOVERNMENT".

Therefore in Democracy the Quality of People is important.

Why Major overhaul

Quality of the people is the product of national constitution (religion/duty oriented).

Therefore, there is need to transform the Constitution or System which include transformation of belief and attitude.

Rights Vs Duty

Rights and duties both are two faces of same coin. However, IF RIGHT IS COMMANDED THROUGH DUTY, IT GENERATES POSITIVE EMOTION (LOVE, TRUST AND CONFIDENCE) WHEREAS IF DUTY IS DEMANDED THROUGH RIGHTS, IT GENERATES NEGATIVE EMOTIONS (HATE, MISTRUST AND APPREHENSION) AND DUTY GETS DILUTED.

RIGHTS

ATTN : RIGHTS ORIENTED CONSTITUTION MEANS, NOT TO VIOLATE TO PRODUCE/PROMOTE NEGATIVE EMOTION IN THE SOCIETY BECAUSE IT MAY LEAD TO CRIME. VIOLATION TO GENERATE NEGATIVE EMOTION IS A CRIME. THEREFORE PEOPLE HAVE TO TRANSFORM THEMSELVES TO PROMOTE HATES, MISTRUST AND APPREHENSION AMONG THE PEOPLE OF CIVILISATION TO AVOID CRIMINAL OFFENCE.

DUTY

ATTN : DUTY ORIENTED CONSTITUTION MEANS VIOLATION TO GENERATE POSITIVE EMOTIONS AMONG THE MEMBER OF THE SOCIETY IS CONSIDERED AS CRIME. THEREFORE ALL RELIGIOUS CONSTITUTION ARE DUTY ORIENTED WHERE AS ALL POLITICAL/DEMOCRATIC NATIONAL CONSTITUTIONS ARE RIGHTS ORIENTED.

ATTN : Management of human being and human behaviour by Universe and solar system

- (a) Energy of earth magnet is lifeline of human being for operating his mind and through mind, entire human body.
- (b) Energy of spectrum of lights, heats, sound, etc., is the product of reflection of magnetosphere's energies of planets of solar family, which get divided in to two parts 'Negative' and 'Positive'.

These negative and positive spectrum energies are the main cause for development of various kinds of negative and positive human emotions, which control human actions of the individual/group/society/ nations (developing and developed). The opposite human
