REMINDER

Shri Narendra Modi Ji
Hon'ble Prime Minister of India
New Delhi.

COSMIC SYSTEM OF GOVERNANCE

SUB : DUTY ORIENTED SYSTEM -PARAMETERS OF ACCOUNTABILITY- DUTIES & ETHICS BE INBUILT IN THE PREAMBLE OF OUR CONSTITUTIONS. IT WILL ENABLE OUR 80% POPULACE-GIRLS, CHILDREN, WOMEN & SR. CITIZEN MORE SAFE AND SECURED.

Respected Sir,

All religions, ethics, dharm and wisdom declare 'DUTY' as a base of eternity and nature but human race has accepted 'RIGHT' as fundamental base of worldwide UN CHARTER of its global constitutions for governing the humanity and society. Therefore let us make our systems "Duty Oriented" instead of "Right Oriented".

According to all our human manuscripts and testaments, 'DUTY' is Dharm, Ethics & Religion, whereas 'RIGHT' has nowhere been testified as dharm, ethics or religion.

Now let us correct and righten ourselves to advocate and draft "A UN Charter of Human Duties" and declare cancellation of ruling "UN Charter of Human Rights" as basis of our worldwide constitutions for governance of a borderless world to enable the humanity to live and rest in peace and not in cold-war and terror.

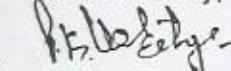

If a person like Sri Narendra Modi as CM or PM having accepted the principles of 'Duties' and 'Ethics', can do miracles and change the concepts of the humanity as a whole of the global governing and ruling class, then let us discuss with wisdom, what could enormous effect of duties and ethics be created if our political constitutions are drafted with the fundamental duties and ethics under the Cosmic System of governance.

Not only this, let us further think to implement; following acceptance of "Duty Oriented Systems" through our humanitarian political constitutions; 6 point programme under such SYSTEM:-

1. (i) Household family (PARIVAR), (ii) Villages (GAON), (iii) Cities (SHAHAR), (iv) Districts (JILA), be granted constitutional rights and may be treated as Individual constitutional units.
2. Citizens be granted the 'Right to Recall' their representatives, if they fail to perform their duties.
3. Change our parliamentary democracy into participatory democracy through referendum and formation of LOK-SANSAD.
4. Total elimination of political party system of governance to root-out gangs & gangsters to save the society from disintegration.
5. All the Governmental, public and private services; accept defence and few more; ought to be contractual only and strictly for one year period subject to renewal every year till the maximum age of 70 years as per conforming the Constitutional Mandatory Provisions of Discharge & Performance of Duties and Responsibilities to be examined and adjudged as per laid-down parameters of accountability balance-sheet principles.
6. All the citizens of the nation be granted social security pension @ Rs.2000/- per month from birth till death without any conditions or reservations, for good & better up-bringing in the childhood, education, during un-employment, distress, old-age and disability etc.

Thanking you,

Yours faithfully,

(P.K. Vatsalya)
