

(c) Energy of Gravitational pull is responsible for development of ego emotions in the human being. Ego is directly proportional to physical, economic and positional power. All matter form of Universe energy is managed or hold by this energy.

Seeds of Emotions

The seed of positive and negative emotions are the sum of positive and negative spectrum energy and gravitational force. These two seeds are responsible for the management of human attitudes, "attitude to serve". Nature manages all opposite actions through from these two seeds

<u>Duty or rights</u>	<u>Happiness or grief</u>
<u>Love or hate</u>	<u>Virtuous desire or Material desires</u>
<u>Freedom or Slavery</u>	<u>Enlightened or Ignorant</u>
<u>Honesty or Corruption</u>	<u>Literate or illiterates</u>
<u>Patricians or Politician</u>	<u>Optimistic or Pessimistic</u>

IT CAN BE SEEN THAT RIGHTS COMMAND EXIST ON THE NEGATIVE SIDE OF HUMAN EMOTION WHERE AS DUTY COMMAND EXIST ON THE POSITIVE SIDE OF HUMAN EMOTION.

RIGHT oriented constitution is based on negative seeds. THEREFORE UNREST, INDISCIPLINE, MOB-BEHAVIOUR, CORRUPTION, SLAVERY, ILLITERACY IGNORANCE, GRIEF, ETC., WERE PROMOTED IN THE WORLD DURING LAST MILLENNIUM AND DID NOT ALLOW THE MEMBERS OF CIVILISATION TO PROMOTE POSITIVE EMOTIONS WHICH LEAD TO THEIR CRIMINAL OFFENCE.

The world is still alive because all religious Constitution are duty oriented and being practised at citizen's home therefore confusion of rights oriented national constitutions has prevailed so far and same is true for India also.

THE RIGHT ORIENTED CONSTITUTION HAVE OVER RULED the duty oriented constitution THEREFORE THE MAJORITY OF THE PEOPLE OF WORLD BECAME PROMOTER OF NEGATIVE EMOTIONS AND WORLD IS AT THE VERGE OF COLLAPSE.

SOLUTIONS

To save the world India has to adopt initially, a duty oriented constitution to promote positive emotion within our country and thereafter other nation of the world may judge and follow.

Who should play Neutral Umpire role?

The elected representatives of public should play the role of umpire to protect Public from negative exploiters of the civilisation.

THE REVERSAL OF ORIENTATION OF EXISTING CONSTITUTION IS NOW A NECESSITY IN THE INTEREST OF INDIA AND THE WORLD, HENCE MAJOR OVERHAUL IS MUST.

Management of Solar family

The observation on management of solar family reveals that SUN is the energy provider to his planets. Planets are also disciplined and dutiful to perform their task to produce various kind of energy for the survival of living creature at regular and fixed interval without fail. We may say that the right of planet is the duty of SUN and the Right of Sun is the duty of the planet. THE BEAUTY IS THAT RIGHTS ARE NOT DEMANDED. IT IS COMMANDED BY EVERYONE AT HIS OWN COST OF DUTY.

Steps of Major overhaul

A. TRANSFORMATION OF GOVERNMENTS

THE FIRST STEP IS TO CONSTITUTIONALLY PROHIBIT ALL UMPIRES INCLUDING GOVERNMENT'S MACHINERY TO GET INVOLVED DIRECTLY IN THE ACT OF COMMERCIAL BUSINESS TO TRANSFORM THEM AS SUN.

B. NON-VIOLATION OF PROPOSED DUTY ORIENTED CONSTITUTION MAY PROMOTE DEVELOPMENT OF POSITIVE EMOTIONS AMONG THE MEMBER OF THE CIVILISATION CONTRARY TO RIGHT ORIENTED CONSTITUTION WHICH HAS PROMOTED GENERATION OF NEGATIVE EMOTION THROUGH ITS PROVISION.

NATURAL JUSTICE : DUTYCRACY

The Principle of Natural Justice is :

"The Poor/Weak has no capability to do wrong"

Observing natural social reactions of common man in our day to-day life, we conclude the above principle as follows :

- If a Motorcycle & Bicycle meets an accident, **natural justice is rendered by categorizing Motorcycle rider as Accused and bicycle man as Victim, even if cyclist is at fault.**
- If there is an accident of Car & Motorcycle, **public render natural justice by categorizing Car rider as Accused and Motor cycle man as Victim, even if the Motorcycle man has faltered.**
- Similarly if an adult citizen meets an accident with older one, **the adult made an Accused & older as Victim, even if the older man has faltered.**
- Similarly when there is an accident between man and woman, **the man is generally made as Accused and women as Victim, even if the woman has faltered.**
